OLD BUSINESS

ACQUISITION OF NEW PUMPER – Floyd Trascher

Mr. Floyd Trascher states that the Board received specifications for a new vehicle. The Board asked for more time to review the specifications and called this special meeting to address the purchase. Does the Board have any questions regarding the specifications. Mr. Trascher asked about the engine and said he researched the engine that was decided on and read good reviews. Instead of a Cummins diesel it will be a Paccar MX because of the cost difference.

If everyone is satisfied with this proposal, I move that we authorize Chief Dockery to accept the proposal dated January 10, 2026, for the Enforcer Pumper. The financing and cost of the vehicle will be discussed at a later date. We will vote to authorize the Chief to sign this contract.

Mrs. Blackwell calls a roll call vote. All are in favor, motion carries.

The Board thanks everyone for their patience while making this decision.
