FINANCIAL REPORT

Chief Dockery presents the Financial Report for the month of September, with a target of 75% range. On the first page, Medical Equipment Maintenance and Repair, we are over but we had an unexpected charge from last year that was added to this year. This will be addressed when I present the amended budget next month.

Chief Dockery continued, on the second page, Engine 111, is at 235.15%. We knew this was going to happen being that we had \$23,000 of work done on the engine. The funds will be moved over from the Bond Surplus into the General account for that.

Medic 112 is at 103%. We had issues with airbags, air pump and the turbo. We just got it back from getting the repairs.

Fire Prevention is at 93.85%. This is for the year, we will not have anything added to this.

Mr. Trascher thanks the Chief and Mrs. Blackwell asked for any other questions. With no questions we move to the EMS Report.

EMS REPORT

For the month of September, we brought in \$31,208.90. As of last month, we are plus \$16,254.31, ahead of what we budgeted for the year and we have a couple more months to go.

Mrs. Blackwell asked for any questions about the EMS report. No questions or concerns, we will move to the Chief's Report.

AGILE AWALK THROUGH

We had a walk through at the Agile (Cold Storage), along with Fire District #1, EOC, some people with the Parish and one Council member or Alderman from the Town. We did a walk through of the facility to get everyone acquainted with it and see how operations go and it was a very successful time.

TRAINING EXCERCISE

I am working with Fire District 1 to do a round table exercise with us, the Town, Fire District 1, PRPD, Acadian Ambulance, the Sheriff's Office and Acadian Ambulance for, basically, a training development for any type of mishap so we know what is expected of us, what's expected with the Town, Law Enforcement and Medical, so we can have a game plan and are on the same page.

CAR SHOW ON 3081

This Saturday we will have the Car Show on Highway 3081 and will have the ladder truck there to hang the flag.

OCTOBER 25 TRUCK OR TREAT

On October 25th, is the Truck or Treat and Night Out Against Crime and will be at Town Hall and the Museum. We have two events on the same night so, we will be out there.

HALLOWEEN NIGHT

Halloween night we will be out by the High School or Saw Mill Creek or one of the hot spots. This is a busy month for us.

I am also working on a few different projects that did not fan out yet. If they fan out, I will bring them to you next month. That's all I have for the Chief's Report.

Mr. Trascher said, on the first Wednesday in November, I believe the Department needs to make a presentation at the Parish Council Meeting, is it? Chief Dockery said, late October I will have to go to the Agenda Review and then the Parish Council Meeting. I will have to go to present what I presented a couple of months ago, for our Millage Renewal.

Mr. Trascher said if you would, let us know and maybe some of the Board Members can get together and go. We have to get their blessing so we can put our millage on the ballot in the spring.

Mrs. Blackwell said that November 6, is the first Monday in November. We will move to Old Business.

Mr. Trascher comments, he didn't put it on the agenda but, if we could, we will not take any action on it but we can discuss it. I see the Chief has a form by the big tank. I understand that is going to be our shed or the ground work for the pump.

Chief said we are forming the slab and got some of the red dirt for the concrete, we have wire in it right now and some re-bar. We are working on the concrete right now.

Mr. Lindsey makes a motion to adjourn, Mr. Trascher second and thanks the guys for what they do and invites them to bring up any discussions that they may have and thanks everyone for coming to the meeting.

A roll call vote is called, all in favor. Motion carried. Meeting adjourned.
